

# Destroyit® Model 2230

The affordable model 2230 now shreds up to 12 pages at once, making desk-side security faster and easier than ever.

*The 2230 provides the durability and engineering of larger, more expensive shredders, yet easily fits the budget and space constraints of any small office or home.*

## Destroyit 2230 Shredder Features

- Cross-cut shred size available for extra security.
- Quiet cutting head takes staples and paper clips.
- Automatic start/stop via a photo cell.
- Automatic shut-off in case of paper jam.
- Optical indicator for "on" position.
- Three-position rocker switch for stand-by/stop/reverse.
- Five-year limited warranty on cutting head.
- Stylish pearl gray bin.
- **Recommended Supplies:** 0907 shred bags and shred oil.

Both the 2230 and 2250 offer cross-cut models to put maximum security at your side.

# Destroyit® Model 2250

The newly redesigned model 2250 offers increased paper capacity and an integrated window that shows you when to empty the shred bin.

*Quiet, compact and now more efficient, the Destroyit 2250 shreds up to 12 pages at once.*

## Destroyit 2250 Shredder Features

- Translucent plastic window in cabinet door shows amount of shreds collected.
- Cross-cut shred size available for extra security.
- Quiet cutting head takes staples and paper clips.
- Automatic start/stop via a photo cell.
- Automatic shut-off in case of paper jam.
- Optical indicator for "on" position.
- Three-position rocker switch for stand-by/stop/reverse.
- Five-year limited warranty on cutting head.
- Sleek, pearl gray cabinet opens from the front for convenient disposal of shredded material.
- **Recommended Supplies:** 0907 shred oil.

The 2250 features an integrated easy-access shred bin.
